Selected List
of
Vegetable Varieties for Gardeners
in
New York State

2018

(Revised 12/17)

Vegetable varieties listed in this report should be well adapted for New York State community, school and home gardens. It is recognized that varieties not listed here may be satisfactory or even perform better under certain conditions. We encourage gardens to rate the varieties at:
vegvariety.cce.cornell.edu

Visit our Vegetable Varieties for Gardeners in New York State website
for detailed descriptions and some seed sources of more than 7,000 vegetable varieties including those listed in this report. Compare varieties, read ratings and reviews by fellow gardeners, and offer your own observations of which varieties perform best in your garden.
Note: Future reports will be largely based on variety ratings from this site.
